New Zealand Veterinary Journal

Volume 62 Number 5 September 2014 ISSN 0048-0169

Scientific Articles

- Pregnancy rates of beef cattle are not affected by *Campylobacter fetus* subsp. *venerealis* real-time PCR-positive breeding sires in New Zealand
JM Sanhueza, C Heuer, R Jackson, P Hughes, P Anderson, K Kelly and G Walker 237
- Effects of subcutaneously injected Ca Cu EDTA on concentrations of Cu in liver, milk production and reproductive performance in New Zealand dairy cows
D Hawkins..... 244
- Investigation of an outbreak of craniofacial deformity in yellow-eyed penguin (*Megadyptes antipodes*) chicks
KN Buckle, MJ Young and MR Alley 250
- Randomised controlled trials demonstrate efficacy of a novel internal teat sealant to prevent new intramammary infections in dairy cows and heifers
CWR Compton, FR Emslie and S McDougall 258
- An exploration of attitudes towards pedigree dogs and their disorders as expressed by a sample of companion animal veterinarians in New Zealand
T Farrow, AJ Keown and MJ Farnworth 267
- Vitamin B12 status and the effects of vitamin B12 supplementation during the first year of life of spring calves from pasture-fed dairy herds
ND Grace, SO Knowles and R Nortjé..... 274
- Pharmacokinetic evaluation of different generic triclabendazole formulations in heifers
P Ortiz, N Castope, M Cabrera, C Farias, G Suarez, C Lanusse and L Alvarez..... 279

Short Communications

- A survey of the prevalence of *Nematodirus spathiger* and *N. filicollis* on farms in the North and South Islands of New Zealand
A-MB Oliver, DM Leathwick and WE Pomroy 286
- A retrospective review of antebrachial angular and rotational limb deformity correction in dogs using intraoperative alignment and type 1b external fixation
KJ Deruddere and SR Snelling..... 290

Clinical Communication

- Clinical beak and feather disease virus infection in wild juvenile eastern rosellas of New Zealand; biosecurity implications for wildlife care facilities
B Jackson, C Harvey, J Galbraith, M Robertson, K Warren, C Holyoake, L Julian and A Varsani.... 297

Peer-reviewed Correspondence

- An initial evaluation of cattle showing clinical signs suggestive of malignant catarrhal fever in New Zealand and the results of a diagnostic quantitative PCR assay
FI Hill, DJ Tisdall and JM Gill 302

Abstracts

- Proceedings of the 39th Conference of the New Zealand Society for Veterinary Pathology..... 304

Corrigendum

- Re: Development of real-time reverse transcription PCR assay for detection of a novel nidovirus associated with a neurological disease of the Australian brushtail possum (*Trichosurus vulpecula*)
M Dunowska, G Gopakumar and MR Perrott..... 307
