|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| <b>EDITORIAL</b>                                                                                                                                                                                                                                            | ... | 7  |
| <b>GENERAL ARTICLES :</b>                                                                                                                                                                                                                                   |     |    |
| <b>Assessment of the Potential of Bone Marrow Derived Mesenchymal Stem Cells in Augmentation of Tendon Repair in Goats – Histopathological and Electron Microscopic Findings</b><br>Yogita Adhikari and N. S. Jadon                                         | ... | 9  |
| <b>Genetic Polymorphism of the Bovine MHC DRB3 Exon 2 of Umblachery Cattle Distinguished by Polymerase Chain Reaction-Restriction Fragment Length Polymorphism (PCR-RFLP)</b><br>S.M.K. Thirumaran and Bharat Bhushan                                       | ... | 14 |
| <b>Effects of <i>Cajanus Indicus</i> on Growth Performance Parameters of Broiler Chickens</b><br>Jagmohan Singh, K. M. Koley, S. Nety and Khushboo Chandrakar                                                                                               | ... | 17 |
| <b>Effect of <i>Tephrosia Purpurea</i> Powder Against Arsenic Induced Toxicity in Rats</b><br>Ravuri Halley Gora, Sushma Lalita Baxla, Naveen Kumar, Priscilla Kerketta and Birendra Kumar Roy                                                              | ... | 19 |
| <b>Determination of Apoptosis in <i>Tinospora Cordifolia</i> Treated MCF-7 Cells by Acridine Orange/Ethidium Bromide Staining</b><br>M. Sakthi Priya, K.V. Venkateswaran and T.Vijayanand                                                                   | ... | 21 |
| <b>Genetic Bottleneck Analyses of Kodi Adu Goat Breed Based on Microsatellite Markers</b><br>A.K.Thiruvankadan, V.Jayakumar, R.Saravanan and P.Kathiravan                                                                                                   | ... | 24 |
| <b>Sero Epidemiological Study of Viral Gastroenteritis in Dogs by using Indirect ELISA</b><br>Devajani Deka, A. Phukan, D.K. Sarma, A.K. Chakraborty and Sutopa Das                                                                                         | ... | 27 |
| <b>Comparative Evaluation of Qualitative Troponin-I And Troponin-T with that of Echocardiography in Canine Cardiomyopathy</b><br>Akhilesh Kumar, Sahadeb Dey, K. Mahendran, A. Dan, Sumit Mahajan and B. Kumar                                              | ... | 31 |
| <b>Artizone-S Induced Myositis in a Pig</b><br>Litty Mathew, I.S. Sajitha, M. Pradeep and N. Divakaran Nair                                                                                                                                                 | ... | 33 |
| <b>Hatchability of Broiler Chicken Eggs and it's Seasonal Variation</b><br>R.Burhagohain, J.K.Talukdar, D. J. Talukdar, M. Sensua and M. Ahmed                                                                                                              | ... | 35 |
| <b>Bacteriological, Molecular and Antibiotic Sensitivity Profiles of <i>Pasteurella Multocida</i> from Bovine and Rabbits</b><br>Lovit Verma, Mandeep Sharma, Shailja Katoch, Vishal Dogra, Sandeep Kumar, Prasenjit Dhar, Rajesh Chahota and Subhash Verma | ... | 38 |
| <b>Multiple Linear Regression Model for Prediction of Sheep Pox Outbreaks</b><br>G. Selvaraju and G.A. Balasubramaniam                                                                                                                                      | ... | 42 |

|                                                                                                                                                                                                          |     |         |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|---------|
| <b>Physico-Chemical and Organoleptic Qualities of Fat Reduced Yak Meat Salmis Prepared by Incorporation of Glutinous Rice Flour</b><br>Sabita Kumari, D.R. Nath, M.Hazarika and S.K. Laskar              | ... | 44      |
| <b>Studies on <i>Tetrameres mohtedai</i> III: Ultrastructure of <i>T. mohtedai</i></b><br>Pallabi Pathak, Saidul Islam, Dhruva Jyoti Kalita, Sushanta Goswami, Sulekha Choudhury Phukan and Gouranga Das | ... | 47      |
| <b>CLINICAL ARTICLES :</b>                                                                                                                                                                               |     |         |
| <b>Unilateral Polydactyly in a Holstein Friesian Heifer</b><br>V. Sangwan, S. K. Mahajan, A. Kumar, A. Anand and N.S. Saini                                                                              | ... | 52      |
| <b>Dystocia in Doe due to Foetal Abnormalities - Report of Two Cases</b><br>B.Chandra Prasad and M.M.Rajesh                                                                                              | ... | 54      |
| <b>Surgical Management of Fibromatous Epulis in a Dog</b><br>Jayakrushna Das, Sidhartha Sankar Behera, Monalisa Behera and Soumyaranjan Pati                                                             | ... | 55      |
| <b>Surgical Treatment of Antrochoanal Sinonasal Polyps in a Mongrel Bitch – A Case Report</b><br>Mousam Das and Sabyasachi Konar                                                                         | ... | 57      |
| <b>Clinical Anatomy of the Head Region of the Blackbuck (<i>Antelope cervicapra</i>)</b><br>O.P. Choudhary, Ishwer Singh, S.K. Bharti, K. I. Mohd, B.S. Dhote and M. Mrigesh                             | ... | 59      |
| <b>SHORT COMMUNICATIONS :</b>                                                                                                                                                                            |     |         |
| <b>Effect of Latitudinal Hypoxia on Hematological Parameters, GPx Activity and HIF-1 Alpha Mrna Expression in Jakharana Goats</b><br>Vikash Chandra, Hira Ram and A.K. Sharma                            | ... | 63      |
| <b>Nitrate Poisoning in the Livestock of Panamarathupatti, Salem District</b><br>I. Kanitha Christy, K.S. Sundarrajan, R.S.D. Babu, M. Heavenlin and C. Gunasekaran                                      | ... | 65      |
| <b>Prevalence of Gastrointestinal Nematodes of Goat on Communal Pasture in Madhya Pradesh</b><br>Alok Kumar Singh, G. Das, B. Roy, Sahil Kumar, Ram Naresh and S. Nath                                   | ... | 67      |
| <b>Haemato-biochemical Profiles of Leopards of Nandan Van Zoo, Raipur</b><br>Virendra Kumar Thawait and S. K. Maiti                                                                                      | ... | 69      |
| <b>Population Characteristics of Mallophaga on Indian Fowls (Galliformes)</b><br>Vijay Kumar and S.S. Hasan                                                                                              | ... | 71      |
| <b>Cestodiasis in a Tree Snake (<i>Dendrolaphis Tristis</i>)</b><br>N.Pazhanivel, V.Kumar, R.Thangathurai, T.A.Vijayalingam, T.Anna, C.Balachandran and M.Raman                                          | ... | 73      |
| <b>Gross Studies on Lumbar, Sacrum and Coccygeal Vertebrae of Blackbuck (<i>Antelope cervicapra</i>)</b><br>O.P. Choudhary, Ishwer Singh, S.K. Bharti, K.I. Mohd, B.S. Dhote and M. Mrigesh              | ... | 75      |
| <b>A Study on Microclimate of Dairy Cattle Sheds in and Around Puducherry</b><br>D. Vinothkumar, N. Kumaravelu and Thanga Thamilvanan                                                                    | ... | 78      |
| <b>Therapeutic Efficacy of Long Acting Enrofloxacin in Anaplasmosis in Cattle</b><br>S.T. Singh, Swaran S. Randhawa, Simranpreet Kaur, S.N.S. Randhawa, S.K. Uppal and L.D. Singla                       | ... | 80      |
| <b>Author &amp; Subject Index for March, 2015</b>                                                                                                                                                        | ... | 83 & 84 |
