British Veterinary Association.  
 N 0042 – 4900

Veterinary Record is published by BMJ Publishing Group Ltd (BMJ), a wholly owned subsidiary of the British Medical Association, on behalf of the British Veterinary Association (BVA).

Veterinary Record follows guidelines on editorial independence produced by the World Association of Medical Editors and the code on good publication practice of the Committee on Publication Ethics.

Veterinary Record is intended for veterinary professionals and is provided without warranty, express or implied. Statements in the journal are the responsibility of their authors and advertisers and not authors' institutions, BMJ, the BVA or the BMA unless otherwise specified or determined by law.

## This week's issue

Picture: Jason Brown

**CVO's update: A year of challenges and progress** p 133

**Monitoring animal welfare in zoological collections**, p 143

**My view. Why scrutiny is good for progress**, p 147

### 126 Comment

126 Are we really willing to sacrifice our high farm animal welfare?

### 127 News and Reports

127 Big data is our best shot at challenging extreme breeding **On cover**

128 New vet research hub at Aberystwyth to drive improvements in animal health
