Veterinary Record is published by BMJ Publishing Group Ltd (BMJ), a wholly owned subsidiary of the British Medical Association, on behalf of the British Veterinary Association (BVA).

Veterinary Record follows guidelines on editorial independence produced by the World Association of Medical Editors and the code on good publication practice of the Committee on Publication Ethics.

Veterinary Record is intended for veterinary professionals and is provided without warranty, express or implied. Statements in the journal are the responsibility of their authors and advertisers and not authors' institutions, BMJ, the BVA or the BMA unless otherwise specified or determined by law.

This week's issue

Study sheds fresh light on gastric bloat in dogs, p 283

SAC C VS disease surveillance: avian tuberculosis in a hen, p 288

Students learn how to evaluate evidence, p 298

276 Comment

276 Ambitions for science after Brexit
